IN THE MATTER OF THE APPLICATION OF
WILLOW VALLEY WATER COMPANY, INC.
FOR AN EXTENSION OF ITS CERTIFICATE
OF CONVENIENCE AND NECESSITY.

DOCKET NO. W-01732A-05-0532

PROCEDURAL ORDER

BY THE COMMISSION:

On March 23, 2006, the Arizona Corporation Commission ("Commission") issued Decision No. 68610 which approved the application of Willow Valley Water Company ("Company" or "Applicant") for an extension of its Certificate of Convenience and Necessity ("Certificate") to provide public water utility service to various parts of Mohave County, Arizona. As a condition of the Commission's approval, the Company was to file, by March 23, 2007, a copy of the developer's Letter of Adequate Water Supply ("LAWS") which is to be issued by the Arizona Department of Water Resources ("ADWR").

On March 21, 2007, the Company filed a Motion for Extension of Time ("Motion") to file a copy of the developer's LAWS stating that it needed an additional twelve months, until March 23, 2008, to secure and file a copy of the LAWS to be issued by ADWR. The developer is encountering delays due to litigation which involved the Mohave Valley Irrigation and Drainage District ("MVIDD") and a 2005 recall election that involved its board of directors.

On March 27, 2007, by Procedural Order, the Commission's Utilities Division ("Staff") was ordered to file by April 16, 2007, a response to the Company's Motion.

On April 4, 2007 Staff filed a Memorandum which stated that Staff did not object to the Company's Motion and recommended that the requested extension be approved.

On April 19, 2007, by Procedural Order, an extension of time was granted for the Company to file copies of the developer's LAWS.

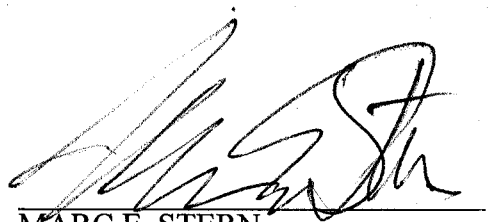

1 On March 21, 2008, the Company requested an additional one year extension of time until
2 March 23, 2009, in which to file a copy of the developer's LAWS to be issued by ADWR. The
3 extension area consists of approximately 48.5 acres and is divided into three parcels known as Parcels
4 A, B and C. The Applicant in this proceeding has secured from the developer copies of the LAWS
5 for Parcels A and B. The Company attached these as Exhibits to the instant request for an extension
6 of time to secure the LAWS for Parcel C. The Company states that the developer is proceeding with
7 the development of Parcel C and has experienced some delays with the Mohave County Planning and
8 Zoning Department ("MCPZD"). However, the developer expects to resolve these issues with the
9 MCPZD after which the developer will secure a LAWS for Parcel C, a copy of which will be filed
10 with the Commission if an extension of time is approved as requested.

11 On April 16, 2008, Staff filed a Memorandum which recommends approval of the Company's
12 request for an extension until March 23, 2009, to file a copy of the developer's LAWS for Parcel C.

13 Accordingly, the Company's Motion for an extension of time, until March 23, 2009, in which
14 to file a copy of the developer's LAWS for Parcel C should be approved.

15 IT IS THEREFORE ORDERED that Willow Valley Water Company, Inc. shall have until
16 March 23, 2009, in which to file a copy of the developer's Letter of Adequate Water Supply for
17 Parcel C.

18 DATED this 20th day of April, 2008.
